

RATES

Boat Show Exhibit Rates:

Order now for best selection of space. Previous exhibitors are encouraged to send in their space application and appropriate deposit immediately to renew their preferred location. If you did not exhibit at the last Newport Show, simply return your completed application and deposit indicating your desired location(s). Regardless of verbal confirmations, orders will not be considered firm until the required deposit is received. All in-water vessel sizes are subject to size verification and price adjustment at move-in.

New Boat In-Water Space

Square footage computed by multiplying the overall length, including overhangs, times the beam, at \$3.25 per square foot. (Minimum per vessel, \$1,000.) A used vessel that is also sold new by the displaying dealer/broker will be charged at the new vessel rate. Electrical hookup not included with space rental.

Brokerage

Cost computed at \$33 per gross running foot – gross length includes all forward and aft protrusions including swim platforms, bow planks, davits, dinghies and pulpits. Minimum price per boat is \$800.

Dryland Space

Exhibit space is at the entrance of the show on the cobblestone street. Price per square foot is \$4.50. See dryland schedule for exact dimensions for each space. Minimum price per exhibit is \$800.

Booth Space

Boardwalk space: 5' x 10' wide: \$800

In-water floating booth: 15' wide x 10' (Includes canopy): \$1,975.
