  - ◆ There are no cancellations after advance rate deadline date
- ◆ Minimum of 20 amp services for boats on the water (do not order 10 amps on docks)

## **Trade Show Electrical**

### **IMPORTANT GENERAL INFORMATION**

110 Volt, A.C. Single Phase, 60 Cycle  
220 Volt, A.C. Single Phase, 60 Cycle  
208 Volt, A.C. Three Phase, 60 Cycle\*

\*Three phase available upon request

1. Orders must be received with payment prior to deadline date in order to qualify for discount price. Orders received after this date will be charged the standard price.
2. Advance orders shall receive priority service.
3. No credits will be issued for service ordered and installed even if it is not used.
4. Claims will not be considered or adjustments made unless filed in writing by exhibitor prior to close of event. Absolutely no adjustments will be made after the close of the event.
5. All equipment, regardless of source of power, must comply with the National Electrical Code, as well as all federal, state and local safety codes.
6. All equipment must be UL-listed or certified by a nationally recognized testing laboratory.
7. All electrical equipment must have provisions for grounding. No two-conductor cords may be used.
8. Exhibitor holds TSE and Duncan McIntosh Co. Inc. harmless from any and all losses of power including but not limited to losses due to utility company failure, permanent power distribution failure, power failure caused by vandalism, faulty exhibitor equipment or overloads caused by exhibitor.
